# BAISALI PRADHAN

## Web Developer

Bhubaneswar | +91-7008829489 | baisali.pradhan@infoviz.co

## INTERNSHIP

**INFOVIZ**
**Bhubaneswar**
**( Jan 2020-May 2020 )**
I have done a project named INSPENSA. In this project, the user can track their income and expenses. And add their insurance and set reminder to pay the bills.
For the Frontend, I used Angular9, HTML, CSS, Bootstrap, Material Design.
For the backend, I used MySQL, Nodejs, Postman, Express.Js, CORS.
And for Validation, I used Joi.

## WORK EXPERIENCE

Jr Software Development Engineer          Jun 2020 - Nov 2020

INFOVIZ

I have done my training for 6 months. And I learn many technologies like React.Js, React Native, Formly, FlexBox, GatesBy.

And also done many projects:-
- Instagram Clone
- Zoom clone
